SCIENTIFIC FACULTY TESTIMONIALS

Dr. Chytra Anand
Dermatologist
India

Platforms like AMWC India and AMWC Global are critical for us doctors, not only to share but also to empower and upscale ourselves. What's more important is AMWC India, in its inaugural edition was CME Accredited and that stands for the highest scientific knowledge sharing platform.

Dr. Jamuna Pai
Aesthetic Physician
India

AMWC India turned out to be a grand success and this is such a feel-good moment for all of us. Our Global Faculties and friends have come here to address Indian Dermarts and enhance our knowledge base. And going forward, with all the new advancements and innovations coming in this industry. Next year will be ever bigger and wonderful.

Ms. Mandira Bedi

I am a Faculty and Director for AMWC since the early beginning Since Europe. And I am so happy that now AMWC comes to India. I think AMWC India will play a vital role in training the doctors in India. Having this nice experience in Mumbai and all the other AMWC meetings, I would like to invite the Delegates from all across the world to come and see and learn and share your knowledge on this platform.

Dr. Marva Safa
Aesthetic Physician
Switzerland

I am very happy and honoured to be a part of the inaugural edition of AMWC India. We are getting more and more into improving the quality of the skin, Skin Health & Wellness and that is my passion. The message that I want to send out is that we stay within our field of medicine, we keep looking at the science and we base our knowledge on science so that we can go forward for the safety and well-being of our patients.

Dr. Nitin Sethi
Plastic Surgeon
India

I am here at AMWC India, it was a 2-day conference. It was some hectic busy days with some fantastic sessions. AMWC India is a very big step for a lot of dermarts in the country. This will play a critical role in the future waves and trends of Aesthetic Industry here in India.
